## YOUR GOALS

## JOHN AND JANE CLIENT

- Provide for the financial security of the surviving spouse.
- Maintain our customary lifestyle. This should take about $\$ 300,000$ annually after taxes and gifts.
- Provide a smooth business succession plan that ensures ownership to the next generation.
- Assure we have sufficient liquid assets available at our deaths to eliminate the forced liquidation of our business or real estate assets whenever possible.
- Asset protection for this generation and the next.
- Provide maximum inheritance for our children.
- Eliminate or reduce estate taxes.
